About Us

Jindal Construction Co. is a dynamic civil engineering and infrastructure development firm based in **Indore**, Madhya Pradesh. Founded through the vision and dedication of Mr. Jay Jindal, an IIT-JEE 2008 ranker who chose to contribute to India's growth by joining his father Mr. O.P. Jindal—a seasoned industry veteran with over three decades of experience.

With a primary focus on **residential houses**, our company stands as a beacon of excellence, integrity, and cost-effectiveness in construction services.

With roots in tradition and eyes on the future, every project we undertake is tailored to meet the specific needs of our clients, with a strong emphasis on quality, safety, and timely delivery.
